## **WANTED OR MISSING POSTER? ANCIENT GREEK GODS AND GODDESSES**

You are going to design and present a wanted poster starring a Greek God or Goddess that you chose. Please read the following information.

**Religion** was important to the ancient Greeks. They believed that it would make their lives better while they were living. They also believed the gods would take care of them when they died.

**The Ancient Greeks believed in many different gods and goddesses.** The Greeks believed that these gods and goddesses controlled everything in their lives and the environment. There was a god for every aspect of their lives. It was important to please the gods; happy gods helped you, but unhappy gods punished you. People had special places in their homes where they could pray to the gods. There were also public shrines in all sorts of places where people could pray and leave presents.

What to do:

1. Pull out a name from the "hat". This name will be your assigned Greek god or goddess.
2. Research the god or goddess you have chosen.
3. Make a rough draft of your wanted or missing poster and have it approved.
4. Make a wanted or missing poster of the god or goddess.
5. Present your god or goddess to the class.

It is to include at least the following information:

- Your Name
- A physical description of your god or goddess. (visual)  
Include their role (what they were god or goddess of) and how your god or goddess is relate to other gods or goddesses.
- A drawing of your god or goddess. No clip art, please. All drawing and writing needs to be your own work.
- Significant action/crimes.
- Presumed dangerous? Why?
- Known Associates:
- Additional Information/Disguising features:

Your poster should be neat, legible, and visually appealing.

You may use colored pencils, crayons, or markers.

Illustrations or lettering can be done on separate paper and attached with glue to your poster board. Either way, plan your design on scrap paper before beginning work on your poster. This will ensure that you fit all the necessary requirements on your poster in a neat and interesting way. **DO NOT** use clip art or computer generated print. We want to see **your** artistic work.

Practice presenting with a friend or in front of the mirror (or both). This will give you more confidence when you present your work. Your audience will be better able to enjoy your presentation. Here is the rubric:
